re: USA v. Silviano Christman; 14 CR 0236-01 (CS)

Dear Judge Seibel:

I was recently appointed in place of Susanne Brody of the Federal Defenders to represent Mr. Christman in connection with a violation of supervised release petition. I contacted U.S. Probation Officer Amber S. Walton to request a copy of the original Presentence Report as well as a defense mitigation report which may be in the probation file. These documents are not readily available from the Federal Defender because their case file is in storage. Officer Wilton indicated that her office would require Court authorization for probation to make these materials available for my review. I would request that the Court issue a memo order authorizing probation to provide me with copies of these materials which I need to properly represent Mr. Christman.

Respectfully submitted,

/S/ Joseph A. Vita
